**section 2 : Mesures to be taken at each examination centre**

- (1) Make provision for classrooms with 35 seats, with one (1) candidate on each bench of two seats or two (2) candidates on each bench of three seats ;
- (2) If the examination centre does not have enough classrooms, consider borrowing a site not far from the centre and the RDSE shall appoint an assistant to act as head of annexe sub-centre. If the centre has a spacious room (Amphitheatre or multipurpose hall in the school campus), split it into two or three classrooms with 35 seats each depending on the situation ; (making sure the splitting is distinct from one batch of 35 seats to allow movement);
- (3) Assign two invigilators par classroom and one invigilator supervisor per block of four classrooms/multipurpose hall of the school ;
- (4) Make sur there is availability of an inbuild wall bunker, if possible ;
- (5) Hire a nurse for the duration of the examination and provide him/her with a first aid kit;
- (6) Upgrade the water supply and install two separate toilets, one for the girls and one for the boys;
- (7) Upgrade the electical installation in the examination centre (all examination rooms should be brighter or lit up ;
- (8) Request assistance from the competent authorities in charge of security ( gendarmerie or police) and a nigh vigil to ensure the security of the centre;
- (9) Ensure that there is a bell or whistle that rings to signal the start and the end of the examination papers;
- (10) Be equipped with: ambrella, coat, torch , etc

**Section 3 :**

- 1) The Regional Delegate of Secondary Education, on the Divisional Delegate's proposal, instructs public and private centres, considering their enrolments, the distance to cover and specialties, on their respective examination accommodation writing and practicals sub-centres, where they are affiliated and informs the Department of Examinations and Certification.
- 2) The Regional Delegate of Secondary Education shall appoint an assistant chief of centre to act as head of annexe sub-centre and a second superintendent for the annex sub-centre ;
- 3) **Schools can only present candidates according to the specialties opened in their structures.**
- 4) When an accommodation centre does not have a specialty of an attached school:
  - a) in the writing phase, all the candidates of that specialty write in the said sub-centre;
  - b) in the practicals, these candidates write in the nearby practical sub-centre or the affiliated school becomes the accomodation centre for that specialty.
- 5) CAP external candidates must imperatively choose the writing sub-centre where their specialty is accommodated.

**END OF THE DECISION**

**REORGANIZING ACCOMMODATION CENTRES OF CAP EXAMINATIONS FOR THE 2026 SESSION**

**Section 4 :**

The Head of Department of Examinations and Certification, National Secretaries of private Education Agencies, Regional and Divisional Delegates of Secondary Education, Secretaries to Education and Principals each in their sphere, be charged with the strict implementation of this Decision that shall be registered and published wherever necessary./.
