COMMUNIQUE

No. **82/23** /CRP/MINESEC/SG/GTM

The Minister of Secondary Education wishes to inform the national education community that the Decision granting the State's financial subvention to organisations and private schools or training institutions for the 2023 financial year is now available.

Private schools and training institutions listed on the Decision have been selected on the basis of a strict evaluation scale that considers both the Government's strategic guidelines as defined in NDS 30 and the specific objectives of the Ministry of Secondary Education.

Special emphasis has been placed on promoting technical and vocational education, with the amount allocated to this sector increasing from 407 833 745 F CFA to 470 024 230 F CFA in absolute terms between 2022 and 2023.

The said Decision may be consulted at Regional Delegations of Secondary Education, Education Secretariats or on the MINESEC website at the following address: **www.minesec.gov.cm**.
